

Protection that fits your needs

With voluntary products:

- Coverage is available for your spouse and eligible dependent children (with most plans).
- Benefits are paid directly to you, unless you specify otherwise.
- You can continue coverage when you retire or change jobs, with no increase in premiums (with most plans).
- You may receive benefits regardless of any other insurance you may have with other insurance companies (with most plans).

Everyone's benefit needs are different. That's why it's important to choose the benefits that are right for your personal situation. Learn how these products fit into your overall benefits package and how they can help protect what you've worked so hard to build.

- Disability insurance** — Helps replace a portion of your income to help make ends meet if you become disabled from a covered accident or covered sickness.
- Accident insurance** — Helps offset unexpected medical expenses, such as emergency room fees, deductibles and co-payments that can result from a fracture, dislocation or other covered accidental injury.
- Life insurance** — Enables you to tailor coverage for your individual needs and helps provide financial security for your family members.
- Cancer insurance** — Helps offset the out-of-pocket medical and indirect, non-medical expenses related to cancer that most medical plans don't cover. This coverage also provides a benefit for specified cancer-screening tests.
- Critical illness insurance** — Supplements your major medical coverage by providing a lump-sum benefit you can use to pay the direct and indirect costs related to a covered critical illness, which can often be expensive and lengthy.
- Hospital confinement indemnity insurance** — Provides a lump-sum benefit for a covered hospital confinement or a covered outpatient surgery to help with co-payments and deductibles that are not covered by most major medical plans.
- Identity Shield** — Identity theft has been the top consumer complaint filed with the FTC for 15 years straight. Victims are spending an exorbitant amount of time and money dealing with it. The criminals are getting smarter. And they're not going away. That's why you need a company that is more than a website. You need an established institution that understands all the potential threats, how to prevent them and how to restore any damage done.
- Legal Shield** — Expected and unexpected legal issues arise every day. But with a LegalShield Legal Plan, a small monthly fee gets you access to advice and counsel on an unlimited number of personal legal issues from lawyers with an average of 19 years' experience.
